Project..... **Comments**.....

Fixture Type..... **Prepared By**.....

Product Description:

Featuring a loop-in/loop-out terminal block and a twist and lock retaining ring, the GU10 IP65 rated range of compact fire rated downlights provides a sharp scallop light effect. Integrated intumescent material completely seals the downlight and cut-out in the event of a fire. Tested in 30, 60 and 90-minute fire rated ceilings, the FD103 range is acoustic rated to maintain the ability for an internal or separating floor to provide sound insulation. The IP65 rated range is available in a white, polished chrome and satin nickel finish and comes with a 1 year guarantee.
